Nagtahan, Sampaloc, Manila

November 23, 2015

CERTIFICATE OF RESOLUTION

This is to certify that the Board of Trustees in its Fourth Regular Meeting held on, October 8, 2015 at the VIP Lounge Function Room of Midas Hotel & Casino, 2702 Roxas Boulevard, Pasay City approved the following resolution, viz:

Board Resolution No. 46-2015

APPROVING the EARIST Research Manual subject to revision, incorporating the recent comments by the Board; subject to update from time to time to conform with the current trend; and subject to the strict compliance of all pertinent rules and regulations of the Government, including COA rules and regulations regarding the grant of monetary incentives.

Certified true and correct:

GILDA S. FAMILARA
Acting Board Secretary

ATTESTED BY:

EDITHA V. PILLO, Ed.D.
President, EARIST
Vice-Chairperson

1 •GENERAL INFORMATION

1. Brief History of the Eulogio “Amang” Rodriguez Institute of Science and Technology

The Eulogio “Amang” Rodriguez Institute of Science and Technology (EARIST) was established after the liberation of Manila in 1945. It started as a vocational high school with only one room at the second floor of the V. Mapa High School, nine teachers, a clerk, and 147 students under Mr. Pantaleon Regala, its principal. Its former name was Eulogio Rodriguez Vocational High School (ERVHS).

On July 1, 1946, EARIST acquired its present site at Nagtahan, Sampaloc, Manila. Apolinario Apilado was appointed principal and this was followed by Dr. Hilario G. Nudas in 1949.

EARIST developments were made possible via three Republic Acts and a Presidential Decree:

- RA 4072, jointly sponsored by Congressman Ramon D. Bagatsing and Sali Ututalum in 1964, authorized the establishment of the Technical Education Department without changing the name of the school. It was headed by a vocational director.
- RA 5088, sponsored by Congressman Sergio Loyola in 1967, authorized the renaming of ERVHS to Eulogio “Amang” Rodriguez Memorial School of Arts and Trades

- (EARMSAT) and signaled its separation from the Division of City Schools, Manila. It was headed by a Superintendent.
- RA 6595, sponsored by Congressman Joaquin R. Roces in 1972, converted EARMSAT to EARIST with a president as its head but without any governing board. This made EARIST into a full-fledged college and authorized the establishment of vocational-technical school branches in each congressional district of Manila.
- PD 1524, signed by President Ferdinand E. Marcos on June 11, 1978, converted Eulogio “Amang” Rodriguez Institute of Science and Technology (EARIST) into a chartered state college with a Board of Trustees as its governing body and Dr. Hilario G. Nudas, as its first college president.

2. Brief History of Research Services

Cognizant of the EARIST Mission-Vision-Goal-Objectives and the mandate to implement the research, extension and information services of the Institute, the Office of the Vice President for Planning, Research, and Extension (now, the Office of the Vice President for Research, Extension and Information Services) was established in AY 2007-2008 under the leadership of the following Vice Presidents:

- Dr. Grant B. Cornell (current VPREIS)
- Dr. Eric C. Mendoza (VPREIS)
- Dr. Herculano V. Sabas (VPPRE)
- Dr. Diosdado A. Amante (VPPRE)

Likewise, the Office of Research Services (ORS) has continually sustained the research initiatives and efforts of the Institute through the stewardship of these distinguished men and women who served as Director:

- Engr. Rogelio Mamaradlo (current Director)
- Dr. Grant B. Cornell
- Dr. Jose A. Morales
- Dr. Esteban T. Robiso
- Dr. Herculano V. Sabas
- Dr. Diosdado A. Amante
- Dr. Quintin M. Estrada, Jr.
- Dr. Emillie D. Guevarra
- Dr. Juanito B. Cacapit
- Dr. Purification F. Kanoy

3. EARIST Mandate

The primary purpose of the Institute is to provide professional, scientific, technological and vocational instruction and training in trades, business, arts, sciences and technology and other specified thereof in Section 2, R.A 6595 and section 6, P.D. 1524, and for special purposes promote research, advance studies and progressive leadership in the stated field of study. In pursuance of these objectives, the sanctity of the Institute shall be duly respected and its academic freedom shall be duly enjoined. (Section 8 and 2, Article XIV, Constitution of the Philippines).

4. EARIST Philosophy

As a state college, Eulogio “Amang” Rodriguez Institute of Science and Technology (EARIST) believes that the education is

not an area of knowledge that can be arrogated unto neither itself by one profession, nor it is a division separate and distinct from the society and the times in which it flourishes. It is a plexus of knowledge and skill applied to the economic, social and moral development of a self-actualized and productive citizenry.

5. EARIST Vision

EARIST is envisioned to be a Center of Excellence in trades, business, arts, sciences and technology education.

6. EARIST Mission

Turn out vocationally, technically, technologically, and scientifically trained graduates who will be economically productive, self-sufficient, effective, responsible, and disciplined citizens of the Philippines.

7. EARIST Goals

Provide professional, scientific, technological, technical, and vocational instruction and training in trades, business, arts, sciences, and technology and for special purposes promote research, advanced studies, and progressive leadership.

8. EARIST Objectives

- 8.1 Strive for academic excellence in instruction, research, extension and production through accreditation.
- 8.2 Provide appropriate and continuing faculty and staff development programs.
